Gale's In Context Suite

**DRAW STUDENTS
INTO SUBJECT
MATTER MORE
READILY**

Gale's *In Context* suite combines easily searchable, mobile-responsive functionality with authoritative and current digital content that spans core subjects and develops future-ready skills. With an intuitive interface and a user experience that matches other Gale products, researchers spend more time getting the content they need and less time learning navigation and tools. Each subject-specific resource uses eye-catching topic overview pages to bring together curriculum-aligned nonfiction materials in a variety of digital formats. Users can search articles, videos, charts, images, infographics, and more to keep them engaged at school, at home, or on the go.

HEAR WHAT CUSTOMERS HAVE TO SAY ABOUT GALE'S IN CONTEXT SUITE:

"Students are required to provide a variety of sources for research projects – a book source, newspaper article, journal article – and they like the portals because they separate all of the different resources for them."

–*Librarian, International Academy (MI)*

"Everything is there! It is one-stop shopping, and everything is broken down into really obvious containers."

–*Teacher/Librarian, Glenbrook South High School (IL)*

–*Tech & Learning Magazine ISTE 2016*
