

# A GUIDE TO OUR eBOOK PUBLISHERS

Our *Gale eBooks* platform allows unlimited, simultaneous access on virtually any device and is integrated with collaboration tools, such as **G Suite for Education** and **Microsoft Office 365**, to make research easier. These tools enable students to easily share, save, and download content, including highlights and notes, for a better overall learning experience. Our rich collection of eBooks, combined with the unique features of the *Gale eBooks* platform, provides an unparalleled experience for readers.

## GALE IMPRINTS

### Gale®

Since 1954, Gale has been known for publishing award-winning, accessible, and authoritative reference works in a variety of disciplines, including literature, history, health, and business.

### St. James Press

Publishing titles with academic appeal and contemporary flair, St. James Press explores several disciplines, such as literature, history, business, and popular culture, with the help of expert advisers.

### Charles Scribner's Sons

Part of Macmillan Library Reference, Charles Scribner's Sons is a premier reference publisher, focusing primarily on history and literary reference.

### Macmillan Reference USA

Macmillan Reference USA is a highly respected, award-winning publisher of single and multivolume reference works centering mostly on the social sciences and humanities.

Gale takes authoritative content to its highest level in these two scholarly imprints, Charles Scribner's Sons and Macmillan Reference USA. In-house editors work with a team of scholars, an editor in chief, and a board of subject matter experts to create each publication. Editorial boards determine the scope and content of the work, recruit academic authors, and provide dual peer review on each entry or chapter.

*Gale imprints also available in print.*
