- Specialty metadata

## **NOW AVAILABLE — AN UNPARALLELED ONLINE COLLECTION OF PRIMARY SOURCE DOCUMENTS**

### Sources in U.S. History Online: The Civil War

#### **ONE NATION, UNDER GOD, AND NEARLY DIVISIBLE**

Gale offers more than 450 relevant and primary source documents from a time when America bled blue and gray. *The Civil War* marks a period of history in which friends were enemies and our country was torn in half. This introductory overview of issues such as military,

diplomacy, culture and legal history covers special areas of study such as Southern, African American, medical history, technology and more. Gale presents readers with a rare chance to learn first hand what life was like when the violent divide between north and south threatened to destroy the United States.

### Sources in U.S. History Online: Slavery in America

#### **AN AMERICAN ISSUE IN BLACK AND WHITE**

Thousands of lives were changed 200 years ago when the termination of the American slave trade marked a new era in the country. No study of the United States is complete without detailed research on the issue of slavery and its impact on our country. With more than 600 documents selected by U.S. Research and Doctoral University Professor of the Year Vernon Burton, Gale presents materials from this controversial area of study, such as journals, political writings, speeches, comments and letters, to bring this piece of our history puzzle to life.

### Sources in U.S. History Online: The American Revolution

#### **THE BIRTH OF OUR INDEPENDENCE**

From the tumultuous time in history surrounding the American Revolution came a wealth of material that helped launch not only the U.S., but numerous other countries such as France, Haiti, Poland, Ireland and Latin America into the Age of Revolution. Explore primary source documents, maps, congresses, pamphlets, and speeches, personal first hand accounts, and a wealth of material detailing the European point of view from the time when the U.S. was born. With a new interface designed to be attractive to today's students, *The American Revolution* is the third installment in Gale's digital series devoted to the study of American history through original sources.

# Sources in U.S. History Online

## Sources in U.S. History Online: Immigration in America

### FOREIGN PERSPECTIVES, AMERICAN LIVES

**COMING SOON** Known as the infamous Melting Pot, America is woven with the rich threads of numerous cultures that embarked on a journey to become American. Discover an in-depth view of the immigrant experience from the eyes of the thousands of Germans, French, Italians, Russians, Jews, Swedes and Poles – to name a few – who, in the late 19th and early 20th centuries, arrived in America to begin a fresh start to a new life. Experience America the way your ancestors first saw it with this exciting new Gale Digital Collection.

## Sources in U.S. History Online: Women's Fight for the Vote

### THE FIGHT THAT LEAD TO THE RIGHTS

**COMING SOON** Featuring books, meeting reports, speeches, correspondence, memoirs and more, *Women's Fight for the Vote* provides readers with important information regarding a time when women fought to free themselves from the bindings of society, become recognized as more than just property, and win their rights as human beings. Discover the critical role that women played in the 19th Century reform movements including education, alcohol bans, abolition of slavery and the fight for the vote in Gale's new collection.

## A UNIQUE HISTORICAL COLLECTION

Discover lifetimes of personal accounts, maps, memoirs, records, songs, histories, photographs, diary entries, legal treatises and more as you read about important individuals, influential perspectives, religions, political operations and warfare from these eras that have shaped the United States.

Never before have researchers had access to such an exclusive collection of relevant and influential documents conveniently located in one place. Let Gale, a world leader in e-research and educational publishing, guide you through impressive historical accounts as seen through the eyes of those who experienced it first hand.
