

# TWO CENTURIES OF NEWS AND REPORTING FROM BRITAIN'S PREMIER SUNDAY PUBLICATION

Since 1822, the *Sunday Times* has provided thoughtful analysis and commentary on the week's news and society at large. From major national and international events to stories of everyday life in the nineteenth- and twentieth centuries, the paper has always aimed to publish all the news that is fit to print. Despite the similarity of names, the *Sunday Times* was an entirely separate paper from *The Times* until 1966, when both papers came under common ownership. The value of the *Sunday Times Digital Archive* lies in its extensive cross-disciplinary reach, offering perspectives on both national and international issues and stories.
